"The Lord hath done great things for us; whereof we are glad." Psalm 126:3

We are so thankful for the Lord's goodness to us and for His constant hand of mercy and protection as we travel. It has been a busy first quarter of 2024! Our travels have taken us through Georgia, Florida, Tennessee, back to Florida, and now to Indiana. Over the last few weeks we have had the privilege of preaching in 16 church services, 4 school chapel services, 3 missions conferences and we were able to host 2 Reach the World Youth Conferences. Since the end of January we have had the privilege of teaching and challenging over 600 young people for the cause of World Evangelism. Please help us pray that God will grow the seeds that were planted in their hearts and that we will see a new generation of laborers sent into His harvest!

We ask that you please be in prayer for us as we will be traveling back to GA to host the annual Reach the World Youth Conference at the headquarters of Macedonia World Baptist Missions on April 27th. The theme this year is "Let My Life Be a Light" from Matthew 5:14-16. Please pray for us and the other missionaries that will be teaching and preaching as we encourage these young people to shine forth the glorious Gospel into this dark world! It is imperative that we pray for more missionaries to go! The world population is greater than it has ever been and it seems to be growing darker by the day. Please help us pray for God to do a work that only He can do!

Please continue to pray for all our Macedonia missionary families that are serving in the Southwest: the Leakes in TX, the Rogers, Lanes, and Worleys in NM, the Quintanas in AZ, the Howards in UT, and the Doss' and Wards in CA. God is doing exciting things! Please pray for their families and ministries as they faithfully serve the Lord.

Thank you for praying for our vehicle situation. Many of you have heard that we are working toward trading in our Motorhome and car for a truck and fifth wheel trailer. This will give us much more space for our family and will be much easier and less expensive to maintain. The Lord has provided nearly \$25,000 so far for the purchase of the truck and we are incredibly thankful to everyone that has given. We are praying to make the transition in the next few weeks.

We appreciate you all so very much! Thank you for your faithful prayers and support! God is doing big things and we are thankful to be a small part!
