

THE DOOLITTLES MISSIONARIES IN BRAZIL

MARCH/APRIL 2024

"I press toward the mark for the prize of the high calling of God in Christ Jesus." Philipians 3:14

As we come to a close of this chapter in our lives, and look back at all that God has done in these years in Brazil, I am reminded of what an amazing team that God had given me. I am grateful for each one of our children and my wife who were willing to go wherever I went, no matter what. I have been blessed.

We have been encouraged by the phone calls and messages that we have received from pastors and friends. It has been overwhelming the churches that have promised to continue supporting us until August to help with the transition period and some churches already doing that. It has also been overwhelming the response from many of you offering any help that is needed. Thank you so much!

As we leave Brazil, we know there is still a great need. I would like for you to consider supporting Missionary Alex Lima. I know that churches have their policies and procedures, but if you are looking for a family in Brazil, that is faithfully serving and doing the work, I strongly recommend him. He is a missionary with Macedonia World Baptist Missions and is in the city of Nova Mutum. He has been there in this church plant for almost 5 years and is doing a tremendous work. I know this, because I have seen the work first hand. Our church here in Brazil helps with their financial support as we have done personally as well. They are here on only 30% of the support recommended. So, I ask you to please pray and consider partnering with them. Lord willing, they will be in the USA for a furlough around July of 2025. I know that they would be a blessing to you and your church. If you have any questions about him, his family, or work, I would be glad to answer them to the best of my ability. If you would like to contact him or see more about him, his email is limastobrazil@gmail.com, stateside contact number **(704)418-8039**, and website limastobrazil.jimdosite.com. I want to thank the churches that have already taken on the Lima family. As you pray about this also pray for them about purchasing property. Rent is extremely high, and they have an opportunity to purchase a property with buildings already on it. If you would like more information, you may contact him or contact me.

The transition in the work here has been going well. I am so thankful for Brother Scott Allen and Sister Donna for following the Lord's leading in all of this. I do ask you to continue praying for them as they carry His work forward. If you feel like continuing to support the work here in Guarantã do Norte, just send your gift to Macedonia World Baptist Missions designated to church plant Guarantã do Norte for Bro. Scott Allen, and it will be applied toward the church plant here in Guarantã do Norte.

Once again, I make myself available if you have any questions.

Thank you once again for your faithful prayers and financial support.

**In Him,
Stephen and Kelly Doolittle**
