Romans 10:13-15

Dear supporters and prayer partners,

I want to begin this prayer letter with saying thank you all for your support and prayers! It's been an amazing two months! The Lord has allowed me to stay busy on the road and to be able to be in some great churches!

I've had the privilege to be in NC, GA, MD, AL, and WV. As I mentioned in my last prayer letter, I ask you to please continue to pray for traveling grace and mercy as I head out West for about a month. Please continue to also pray that God would send in the remaining support!

I also mentioned in my last prayer letter about me and my director, Bro. James Hansard, heading to New Hampshire for the Save New England conference at Granite State Baptist Church in Concord, NH. It was a wonderful meeting! I got a lot of help from the preaching that was done for those two days! I was able to go and look at a couple of buildings while we were up there. I know it's a little early to be talking about getting a building, but the Lord opened a door that I really need help praying about! It's looking like the Lord has answered the prayer request about the building! There's a few things that need to be done so please don't stop praying for it!

And I'll end this letter by asking prayer for New England! While I was up there I was heartbroken for many of the towns with no church to go to and hear the truth of the Gospel. Many people are seeking truth but have nowhere to go and hear it. Please pray for more laborers for New England!

Prayer requests:

1. For more laborers
2. That God would send in the remaining support
3. Wisdom concerning the building
4. Safety on the road
5. Justin, Sam, and Jones for salvation

In Prayer,
Noah Gudger
