CHURCH PLANTING
MISSIONARIES IN
BRAZIL

MAY 2024

Dear Pastor and Church family,

We are grateful for your faithful financial and prayer support for our family and ministry in Nova Mutum. We couldn't do what we do without you. Thank you.

MINISTRY

The church here is doing well. One blessing to see is the increase of children in Sunday school. We went canvassing in our neighborhood and talked to a few parents who decided to allow their kids to come to church. With that, these kids have brought more kids and it has been exciting and lively Sundays! With this our small little Sunday school area has been bursting at the seams, and we had to switch adults to the little room and kids to our church space. Please pray for the salvation of these precious children and pray we can make an eternal impact in their lives.

PROPERTY

We have been praying for and asked for you to pray about a property for our church. Rent prices are high and going up yearly. The space we are currently renting is small. We are hosting a team from the US in July for a VBS and had to rent another space for that week since our space doesn't have the capacity for an event like this. Our next door neighbor to the place we rent recently came to me and asked if we were interested in buying his property. It already has a house in back with two bedrooms, kitchen and bath that we could use as Sunday school rooms and office for now, and they also have a building on the side that can easily be our church building by just removing two drywall walls that are in place. We would be free of rent and still have plenty of space to grow and spread out. The amount we would need is \$140,000. Please pray with us for this need. If you would like to help with this, you can send your gift to our mission board designated for our building fund. If you have any questions, please reach out to me and I will be glad to answer them.

Thank you once again for your prayers and support,
Your servants,
Alex & Jessica Lima
