Dear Pastor and Friends,

*First, I thank my God through Jesus Christ for you all, that your faith is spoken of throughout the whole world. Romans 1:8*

Thanks to your faith, prayers, and support, in sending the gospel to reach the lost around the world. We are thankful for each letter, or phone call from missionaries or churches and individuals who send reports of how the tracts are used.

Patrick Hayes of Berean Armed Forces Ministries told me that he has just about shipped out all his tracts for the military. He will be ordering another 60,000 tracts the 1<sup>st</sup> of the year.

Dr. Kindhart, while in Honduras, sent a picture showing pastors receiving 8 boxes of the million two hundred thousand that we sent down to be distributed in Mexico, Central America and Honduras. We must get started on the next order. If your church would like to have a part in the next Latin American project, please consider helping us purchase the needed paper.

Pictured to the right, is the new Xante Envite platemaker and color printer. It will print a number of different things such as color envelopes, prayer

letters, post cards, booklets and door hangers. It is mostly used for making the plates we need for imprinting tracts but will serve as a backup for the Konica that is used to output all types of printing needs.

Speaking of tracts, do you need Halloween tracts? *Know What's Really Scary?* is a great evangelistic tool at Halloween! Order soon to get them in time.

I'd like to close with an update on Bro. Richard Vance and Bro. Harold Webb. Bro Vance has been able to come in some. He is still healing but has had a setback. Please pray that the doctors will be able to resolve it soon. He is anticipating getting back to work in the shop. We are praying he will be able to be back soon as well and we very much miss his work in graphic design.

Bro. Webb has helped us for more than 35 years. He is still faithful to the ministry as his health allows. He and his wife, Barbara, still come in to work with Florence folding tracts. Not bad for a man who just turned 95! They are both an amazing couple serving the Lord together.

In Christ's Service,

*David & Florence Wade*
