PRESIDENT & GENERAL DIRECTOR

December 2024

Dear Friends,

As Cassie and I send our last prayer letter for the year of 2024, we do so with grateful hearts. It has been ten years now since the Lord led us to leave the pastorate in order to serve at Macedonia. During the last decade, God and His people have been so good to us. We are thankful to labor with you to reach the world with the Gospel. From the bottom of our hearts, we thank you for your friendship and for your faithfulness!

As we reflect upon the year, we cannot help but contemplate the goodness of our wonderful Lord. He has allowed us to travel thousands of miles to share the Gospel and to help and assist those He has called to plant churches. We praise the Lord for a fruitful trip to Africa to visit two different countries and three different Macedonia missionary families while there. Our hearts have been thrilled as we have seen local churches determine to do more to reach the world with the Gospel through both going and giving. We have rejoiced as God has sent MWBM more missionary families to partner with. It has certainly been our joy this year as well to continue to labor with local churches and pastors in helping get their missionaries to the field and to sustain them while they are there. On a personal note, Cassie and I became grandparents this year. Our son Joshua and our daughter-in-law Amanda presented us with beautiful Everly Rose Caudill on September 30th. We rejoice in that she is healthy and continues to grow every day. To God be the glory! We certainly thank Him for another wonderful year of ministry and by faith look forward to what the Lord will do in the days to come. He is able and certainly worthy of our best efforts.

We also continue to move forward with our Pavilion Project here at our headquarters in Hoschton, Georgia. Some of you have given towards this project, and we appreciate your help very much. We have applied for the needed permits from our county and, Lord willing, look forward to getting started after the first of the new year. We continue to pray that the remaining \$65,000.00 needed to complete the project will come in soon. Several of our missionary families have given sacrificially for which we are grateful. I have again included the QR code that will give you more information as well. Would you prayerfully consider helping us?

Please hold these dates on your calendar! Our yearly "Reach the World Youth Conference" will be held next year on Saturday, April 12. Our Labourers Together Pastor's Banquet will be held Tuesday evening, November 11 during our National Conference at the Peoples Baptist Church of McDonough, Georgia. We are already looking forward to a wonderful time together. We would love for you to join us. For more information, log on to [mwbm.org](http://mwbm.org).

Since our last letter, Cassie and I have been blessed to see three precious souls saved during the meetings that we have been a part of. We rejoice in the fact that God still saves old sinners! We also rejoice in the true meaning of Christmas. We trust you and yours will have a wonderful Christmas and a fruitful new year. Thank you again for your partnership in this great work for God! It is by God's grace and with your help, we will continue by faith.
