

Encina Cáceres FAMILY

Dear Brothers in Christ,
Thank you for the love and support you have given to our family; we also thank you for taking the time to read our missionary report.

Missionary Conference

This month we celebrated our mission conference, and it was a very special time. Three missionary families participated and were welcomed and hosted by the members of our church. On Saturday we had our international dinner, and our members collaborated by preparing food from 17 different countries. Our conference resulted in a commitment to support more missionaries, and we were also able to give a good offering to each one of the missionary families who participated with us in the conference.

Evangelism

We continue to evangelize in our community. This Saturday, our missionaries joined us in our evangelistic effort, and we were able to make contact with two new families. Many of our members participated, and we are praying that others would choose to join in evangelizing the lost.

Discipleship

This month Brother Luis began a discipleship program with Andrés who is a young man from our church who is preparing for the ministry. Brother Luiz, his wife and three children have been of great help in various areas of the ministry. His desire is to go out and plant a church. We also ask for you to pray for the following people who are being disciplined here at the church: Mateo, Dominig, Daniela, Galo, José, Vinicio, Natalia, Marta, Judit, and Jael.

Land

Please continue to pray that we will be able to purchase land for our church. We continue to raise money among our church members, and with the offerings received from other churches and brothers in Christ, we still need about \$20,000 dollars. As you can see this is a considerable amount. If you would like to help us and participate in this project, it would be a blessing. May the Lord Bless you!

Prayer Requests

- Please pray for our new disciples.
- Please pray for the new beginning of the Bible Institute.
- Please pray for the land that we need to buy. If you would like to help us, it would be a blessing.
