## Ministry

As we come to the close of 2024, God has been better, than we can ever say. This year, we saw our church plant in Ghent, Belgium purchase its own building. We also saw the church grow, having attendances of over 100 on several occasions, and reaching 120 twice, while averaging eighty each Sunday. Perhaps most amazingly we have seen a great number of people saved, even in just the past couple months. We baptized eleven people this year, with two more being baptized this month. The first was a young man from England who got saved at the church recently. The second was an Iranian woman from a Muslim family, who my wife and I led to the Lord in our home.

In November we had a special event for married couples in our church, to strengthen their marriages. We also had an outing for the whole church, to help build fellowship. Both of these events proved very fruitful. For the end of the year, we have had several events and fellowships where the men from our church preached. We have had some of the best responses to our street preaching and door knocking ministries this year that we have ever seen. We had several saved, and some other people got in church because of it.

## Personal

Our biggest news to share this time is that we will be coming into the States for about three months. Once again, this trip wasn't really planned, but both of my parents were diagnosed with cancer in November. My mother has Uterine cancer and will have a complete hysterectomy on the 30th of December. My father on the other hand has a massive tumor on his lung, that has cracked four ribs. He has been rushed into Chemo but if it doesn't work surgery is not an option. He is also showing early signs of kidney failure. Because of this we will come back to spend some time with them. While we are in, we will visit as many churches as we can but obviously cannot see everyone. I have felt led to emphasize visiting churches that helped us buy our building, to thank them in person. However, we are not able to even see all of them. I apologize to those we can't reach and trust that you will understand the situation.

## Prayer

**Pray** for the couple trying to buy the home attached to the front of our building.

**Pray** for my parents for God to heal them of their cancer and other needs.

**Pray** for Gail's full healing, she is continuing to get good results.

**Pray** for our church to be strong while we are in America.

**Pray** for Leah to find a job and home to stay in Belgium.

**Pray** for the two who were baptized to live for Christ.

**Pray** for Lory's oldest sister, Alina, to be saved.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,  
Bro. Junior Haley
