Romans 10:13-15

November-December 2024

I would like to start this letter by thanking the Lord for another great year! And I want to thank every pastor that allowed me to have the privilege to stand behind the pulpit and talk about the need for the gospel in New England! I hope each and everyone had a great Thanksgiving and a great Merry Christmas! None of this would be possible without the Lord! I couldn't do what God has called me to do without the support and prayers of God's people!

2024 was a great year! I traveled to many states, drove many miles, and met some of the greatest Christians! 2025 is going to be a great year! I have some great news; Lord willing, I'll be moving to New Hampshire in the spring time! I'm working with my pastor and my mission board. Please keep me in your prayers. Please help me pray specifically for a place to live up there. I have a couple of meetings down South. Please pray that God will continue to send in the support. I'm currently sitting around the 70% mark. The Lord has always provided, and I'm praying the Lord will send it in before spring.

Also, I would like you to pray for my cousin Waylon. In the month of December, I was able to be at my home church and spend time with them, but Waylon came up to me and asked me about salvation. His mom told me he's got a lot of questions; so I talked with him about salvation. He hasn't gotten saved yet, but I believe the Lord is going to do it! Just please pray for him.

I'm going to end this letter by saying thank you to everyone who sent Christmas cards, sent gifts, and prayed for me this year! I love God's people! I'm excited to see what the Lord is going to do in the coming days!

## Prayer Requests:

1. That God would send the remaining support
2. A place to live in NH
3. Souls to be saved in NH
4. Salvation for Sam, Jones, Waylon, and Justin

In Prayer,  
Noah Gudger
