Dearest Church Family,

Dec 31st, 2024

We have been planning and preparing for a long time to take a trip to Jordan to visit with some dear friends serving there. In spite of all the unrest in the Middle East, things are still relatively calm in Jordan and we knew the Lord still wanted us to go. Although sightseeing was not our primary objective, it was very neat to see the dead sea, Mt Nebo, the Jordan River, the Roman ruins of Decapolis, Peniel (where Jacob wrestled with God), and the breath-taking city of Petra!

Ministry in the Middle East is very difficult and cannot be accomplished without divine appointments. I experienced a small taste of the danger here when I had a young muslim boy pull out a double-sided knife on me when he discovered I am a Christian.

No doubt the highlight of our trip was visiting with persecuted believers and "underground" or secret churches there. On Friday night, we drove into a dark street and briskly walked a few blocks before we ducked into a dark alley which took us down some rugged cement stairs. At the bottom, we turned left and entered a small, two room apartment full of happy born again believers hungry for fellowship and thirsty for the Word of God. We also met a young girl from Iraq whose entire family was killed this year just for their faith in Christ. Hebrews 13:3

Our prayer for our persecuted brethren,
Blake Muscott
