## Missionaries to Argentina

November-December 2024

Greetings from the warm and sunny Argentina!

We pray that you had a wonderful Christmas and a happy New Year!

November and December have been incredible months for the ministry. Many people have been saved, and several have joined the church. We held a special Christmas service with over 90 adults and 70 children in attendance. Our church children performed a Christmas play and sang Christmas hymns. It was a truly wonderful time.

During this time, Lucas and Belen accepted the Lord as their Savior and have been faithfully attending church ever since. We appreciate your prayers for their spiritual growth! Micaela came to church for the first time during our anniversary service, accepted the Lord as her Savior and has been faithful and growing spiritually. Despite battling cancer, she remains faithful in church and is sharing Jesus with everyone she meets!

Here is an update about the property. We reviewed the papers for the property with a lawyer and discovered that they were not in order. If we had purchased that property, we wouldn't have been able to secure a title in the church's name; however, we have now found another, larger property at the same price. The only challenge is that the owner will not return until February 20. Please continue praying that God opens the door for us to purchase the right property.

In addition to these prayer requests, please pray for my wife, Abi, as our baby is due on the last week of January or the first week of February. She has been doing well so far, and the baby is healthy. We ask that you pray for strength and courage during this time!

Our ministry goals for 2025 are as follows:

- Purchase land
- Begin construction
- Continue house-to-house soul winning
- Launch a rehabilitation home

Thank you so much for your Christmas gifts and faithful prayers and support throughout 2024! Thank you for partnering with us to reach Argentina for Christ. God bless you!

In Christ,

Joshua & Abi Owens
