4th Quarter 2024 (October - December)

Dear Friends,

I am excited as I write this letter knowing that in a couple of days I will be back in Brazil. I haven't been to Brazil since 2007. I am boarding the plane on January 10th and will arrive in Franca, SP around 7:00pm on the 11th. I will be preaching the very next day... please pray that God will bless the services/meeting there. Dad will be preaching the 40th Anniversary of the 1st church he started on January 18th. Many will be there to help celebrate this milestone. Pray that people will surrender their lives to the ministry and that souls will be saved. I will fly back to the States on the 20th, arriving back in Greenville, SC around 9:30am on the 21st.

Deputation Updates

We are so close to reaching 25% of our support, that I can "almost taste it." We moved along and stayed busy in 2024. However, I cannot reach the goal of going full-time in May of this year without your help. I know some churches cannot support us financially right now, and others are still praying about taking us on. A couple pastors told me they are going to, but it will be later this year. Will you consider and pray about helping us get the word out about our ministry? With your help, the goal can be reached. If our family has blessed you, please recommend us to other Pastors and churches. I would love to fill up our calendar for this year as quickly as possible. I realize that I cannot reach this goal alone, yet working together it WILL happen!

Family Updates

My wife's grandmother made the crossing to Heaven a couple days before Christmas. Please pray for the family and Bro. Isaac Johns as they both have been by each other's side for 67 years. We rejoice that we will meet again!

Prayer Request/Needs

Pray for opportunities to present our burden, the families we represent, and for people to answer the call to service in missions. The lost souls are counting on us, and time is running out.
