January/February 2025

Dear Praying Friends and Supporters,

Time is our most precious resource! The best way to redeem our time is to be obedient to the will of God. Praise the Lord for the ordained "things" that have helped us **redeem the time** to give all the glory and honor to Him! Several churches have added us to their mission's family over the last 2 months and the farther we go out toward Colorado the harder it is to come back to our home base in Virginia.

We have been working and praying for God to use our family in the ministry. In our previous letters we have spoken of Keith, a young man we have witnessed and ministered to over the past year or so. The opportunity arose to spend an afternoon with him and visit the Baptist church that he attends. Little did we know he had a story to tell about walking the sawdust trail to the altar the previous Sunday and calling on the **Lord Jesus to save him**. We told him that was the best news we could ever receive. HALLELUJAH!

When news of the unexpected and sudden passing of my brother's wife Britne came from my dad, our hearts broke for a family that had already been struggling with difficulties. The Lord allowed our family, through the request of my brother, to sing and help officiate the funeral there in Georgia. The Lord blessed and the gospel was preached. The greatest thing we heard during the trip was the testimony of my brother Tracy. He was already in the hospital before his wife was admitted and was at the end of himself with no where to turn but to the LORD. We have been praying for years and spent many a night and day witnessing with tears for him to call on God. One of my heroes said, "If you want your loved ones to be saved, GO and lead someone else's loved one to God and God will send someone to yours." That is just what God did. Someone shared the gospel with him in the hospital, and that night, toiling with the Holy Ghost, he called on God to save him. Please pray for him and his dear children, Cady, Hunter, Jaxon, and Aubrey as they are **starting a whole new life**. AMEN!

Pray for us as we travel for the last part of our support. We recently had more work done on our vehicle and the trailer we pull needs new tires, but God is faithful to supply all we need **WHEN** we need it. Pray for more souls to be saved. Pray for our family to arrive safely in Colorado soon.

"All that are with me salute thee. Greet them that love us in the faith. Grace be with you all. Amen." Titus 3:15

Cultivating For Colorado,

Teddy & Crystal Angel
