### PRAYER LETTER – March 2025

Dear Praying Friends,

***“Gracious is the LORD, and righteous; yea, our God is merciful.” (Psalm 116:5)*** That is so true and we praise Him for His mercies that are new every morning! Thank you so much for your prayers and financial support. One day, in the future, we will rejoice together as we see how our Lord has used every detail of our obedience to Him to bring lost souls out of darkness.

**PLANTING SEEDS IN YOUNG HEARTS** – Don’t ever underestimate the importance of investing in children. Every Sunday School lesson, from God’s Word, will eventually have an eternal impact upon the lives of its recipients. This truth is emphasized in the following message that we recently received.

Hi Pastor Bruce!

I don't know If you remember me. I'm João and we met each other in Barcelos, Amazonas when I was just a kid. I am sending this message to say, “Thank You!” The church in Barcelos was so important to me! With gratitude in my heart, I remember our guitar lessons and the first songs that I was able to play. I also remember the delicious cookies that Dona Lynn made for us. I learned many important things in her Sunday School class.

During all these years I have tried to walk with Jesus; sometimes close and sometimes far away. In 2023, my girlfriend and I (now my wife), got right with God and we are now walking with Jesus. We are living in Joinville, in the state of Santa Catarina, and daily experiencing the goodness and mercy of God. Thanks to both of you, for sharing God’s Word with me!

God bless you!

João

JOÃO

I am so thankful that the Lord allowed us, along with the members of our supporting churches and prayer warriors, to have the opportunity to make an eternal investment in the lives of people like João! ***“O magnify the LORD with me, and let us exalt his name together.” (Psalm 34:3)***

**THE HOTTEST PLACE IN COLOMBIA** – A few weeks ago, I traveled to Valledupar, Colombia to visit our missionaries, Michael and Martha Hart. Valledupar is located to the south of a mountain range called the Sierra Nevada de Santa Marta. It has a population of about 500,000 people and according to the Colombian Meteorological Institute, it is the hottest place in the country. If you would like to see a five-minute video of my trip to Valledupar, then click on to the following link: <https://youtu.be/HNJO3OP535s>

In Christ,
