

David & Angie Harper

Church Planters in

BALIZA

Dear Partners in Ministry,

March 2025

Thank you for your prayers and support. I wanted to begin our prayer letter with an encouraging story. Recently, a young lady approached us rather timidly. She apologized for "interrupting," but, of course, we don't mind if someone wants to talk to us. This 24 year old woman first asked if my name was Harper. Then she proceeded to tell me stories from 10 years ago about a school in a little village.

Immediately, we recognized that we were revisiting memories of San Antonio School and the hundreds of children to which we had taught Bible principles and stories. Natacha had grown up listening to those lessons, and now she has a family of her own. The rest of the story is that she will join us for church on Sunday and bring her family to hear some of those same stories and lessons.

The everyday life of a missionary includes joyful memories but also some very real struggles that may not be a part of life in the States. During February, there was an illness caused by bites from a bug carrying a virus. This virus caused a very dangerous fever and boils all over my body. We have had the permits necessary for occupation of our church building promised, granted, and then yanked away at the last second for no logical reason. At this writing, we are living on the property but have no source of running water and no power.

Please pray about these specific things:

- As always, pray that we can stay healthy and for liberty in the ministry.
- Please pray that we will receive our power and water very soon.
- Please pray that we can impact more MEN so that the church can function in the future without the help of David Harper.

*Thank you for your Prayers and Support,
David and Angie Harper*

Serving in missions since 1998

Sending Church
Oakwood Baptist Church
4263 Martin Rd.
