## FAMILY TO IDAHO

## Celebrating the Beginning!

In March we celebrate the beginning of the Freedom Baptist Church with our Missions Month. We started 4 years ago this March as a Bible Study in our duplex apartment in Spirit Lake, Idaho. Looking back we can only rejoice at what God has done so far. We have seen many lives changed and souls saved here over the past 4 years. Our goal this year for our Missions Month is to have 100% participation. Much of our Church is new to Faith Promise Missions or even new to the idea of missions as a whole. As we continue to grow and disciple new believers it is our hope that they will gain a heart for missions to reach others as we have been allowed to reach them.

In April we will begin some big processes for us. We will begin adding several trustees to help with the process of getting a traditional mortgage for our church property, as well as begin training for our first deacon. Please pray with us, that God will guide us through these processes and give us His grace. Also in April we are preparing for Easter Sunday on April 20<sup>th</sup>. This year we are combining our Easter community outreach (usually Saturday before) with our Sunday Easter service and Baptism Service. Please pray that the Lord will pour out Himself on these events and fill His house with lost souls in need of the Saviour. Thank you all for your prayers and faithful support.
