And I thank Christ Jesus our Lord, who hath enabled me, for that he counted me faithful, putting me into the ministry;

URGENT REQUEST

Greetings to you from the Smith family. I am sending this letter out to update you with our plans for the rest of this year, starting at the end of June. Bro. Alex Lima, our missionary in Nova Mutum, Mato Grosso, is needing to come to the States for six months to raise more support. He has about 30 percent as of now, by my understanding, and desperately needs more money. All our men are pastoring churches, and they do not have any workers near him. One of the responsibilities of a field director is to assist his missionaries if possible.

As the present field director, we are going to Brazil June 26, 2025, and will be there till January 20, 2026. There are many things involved with our going down for this ministry. We need to raise about \$10,000 for tickets, car, extra insurance, and taking care of church ministries while Alex is in the States. We will be living in his house so that will be a great blessing. Anchor Baptist Church in Columbia, South Carolina has already given us \$1,000 - we are using on plane tickets. The tickets are about \$4,000. We will be in a hotel for about nine days while he is getting things together to leave and getting the house ready for us to live in. He is leaving July the 7th to come to the States. I recommend him highly for support. He is faithful and started this church about five years ago. They also need money to purchase land.

Pray for us, physically and medically, as we will be 22 hours from the doctors we know in our city of Franca. The Lord is helping us, but we will have to pace ourselves in the work. God has been so good to me, and I praise His holy name. Pray for Cathy as well as it has been ten years or better since we have taken care of a work on the field. We want to be a blessing and help the people there in that city. Is anything too hard for God?

Thank you for your faithful support in monies and prayers on our behalf. May 1, we will have been with MWBM for 48 years! God has been faithful! "Bless the Lord oh my soul and all that is within me, bless his holy name!" We love you all.
