MUSCOTT

GUYANA

Dearest Church Family,

April 2025

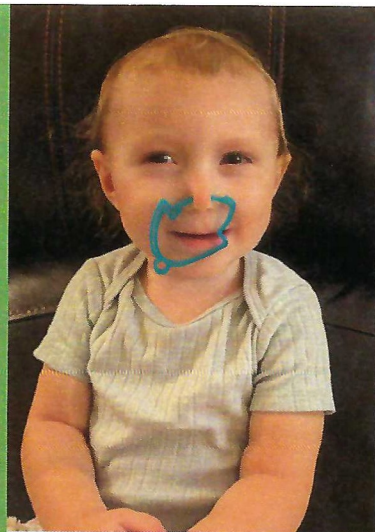

Thank you for your continued prayer for us as we travel. We are now well over 100 services since our travels began and we are extremely eager to settle into our new home in Guyana. We purchased our tickets to Guyana for July 28th. Praise the Lord!

Please pray for a young Warrau girl named Amelia. Her family was one of the first to leave bordering Venezuela six years ago. After their settlement on the banks of the Kaituma River, Amelia's parents wanted her to get an education and learn the new language. So, for the last six years, she has paddled several miles one way, and then walked a few miles after that to attend the school across the street from our church. She is now one of the only English speaking Warrau in her village. Please pray for Amelia's safety and salvation as we believe she will be instrumental in our early ministry among these new people.

In 2015, Guyana discovered an enormous oil reserve off the coast of the Essequibo region. That discovery has kindled the envy of our power hungry communist neighbor, Venezuela. In 2023, the president of Venezuela has formally laid claim to all of the land in Guyana reaching to the Essequibo river which accounts for over two thirds of our landmass and, coincidentally, all of those oil reserves. Guyana has appealed to the International Court of Justice, which Venezuela does not recognize. We trust the Lord for safety, but ask you to pray that this will not escalate into conflict.

Your Servant in Christ,

Blake Muscott
