"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us," Ephesians 3:20.

We trust that each one of you received a real blessing on Resurrection Sunday. The grave could not hold our precious Redeemer. He got up from the grave and ever lives to make intercession for us. Bless His holy name! We appreciate so very much your faithfulness in supporting us and praying for us, and we look forward to your continued support and prayers. God bless all of you for your faithfulness in supporting us; it is so much needed and appreciated.

We asked for prayers for our grandson Josh Tinsley in our last letter and are praising God for his recovery!

Please continue to pray for the three churches in Cyprus. They are still doing well, and we thank each one of you for your financial support and your prayers helping to make these churches' existence possible. Also, please pray for Ula Tinsley's dad, Peter Holub in Poland, who has very serious health problems. (Ula is Mark's wife.) Please add all of these requests on a prayer list, as much prayer is needed. Also, please include Oleen and myself as we have very serious health problems as well. We have had a lot of sickness in our family. Thank you for your prayers.

We have a ministry of witnessing and passing out tracts everywhere we go and an intercessory prayer ministry, praying for many folks. We pray for all our supporting churches and for individual folks as well. Contact us if you need prayer. We want to assist churches in any way we can, to God be the glory!
