Reaching the world for Christ through the printed page

2nd Quarter 2025

Thanks to all of you, our friends, relatives and prayer partners in this work. Thirty years of ministry and there is so much more to do. We must get the Glorious Gospel of our Lord Jesus Christ to the World.

Pray ye therefore the Lord of the harvest, that he will send forth labourers into his harvest. Matthew 9:38

Large Rush Order:

Indlela yoMnqamlezo

An order for 21,000 tracts was recently printed and shipped to South Africa. The order was for our tract "The Way of the Cross" in the isiXhosa language. We thank the Lord the setup was quick, and it was printed and shipped in a timely fashion.

There was a special request to personalize these tracts for five different churches which we were able to do.

Missionary Pastor Josh Sullivan

BBC News — Fellowship Baptist Church

One of those churches was where Pastor Josh Sullivan was taken hostage during the church service on April 10th and held for ransom. The TN missionary pastor was rescued April 16th. We Praise the Lord for his rescue and pray that these tracts may be fruitful for their ministry in South Africa. God answers prayer!

New Foot

Health Update: New Prothetic Foot

Since February 18th I have been getting around much better with a permanent prosthetic leg. I am excited I got a customized foot on April 29th, made to handle inclines and slopes. A battery powered foot was way to expensive: $20,000. But this foot will do the job for me, and it's paid for. No mountain climbing though. Praise the Lord for the great opportunity to continue serving Him at the Macedonia Print Shop.

God bless!
