Training leaders
Planting Churches

Dear Partners in Ministry,

June 2025

Your Prayers at Work:

The answer to your prayers is in regard to the church building. We have our "letter of no objections" from the government- the equivalent of full permission to do any ministry-related activities on the property. We also have irrevocable building permits. Thanks to your prayers, we now have solar power and a big water tank that provides water for our bathroom plumbing.

Thank you to those churches which have sent love offerings to help with construction and especially to the Dotson family for your generous gift. There's still a lot to complete.

I have just been cleared by my cancer specialists for another six months of service. No signs of Melanoma! Angie and I keep a regular work schedule on the field, but we know that we also must visit our doctors regularly to help prevent the return of cancer.

Please pray with us about this need:

Please pray that we will be able to complete the living quarters on the property quickly. You may recall from previous letters that we were living campout style. We are fully aware that there are other missionaries with these conditions, and we are not complaining. It is, however, a distraction to our everyday ministry responsibilities. Please also pray that the Lord will send David some helpers to finish the building. We do have a group coming in August from Cloverleaf Missionary Baptist Church.

*Thank you for praying,
David and Angie Harper*

Serving in missions since 1998
