Eph. 6:18-19, Praying always with all prayer and supplication in the Spirit, and watching thereunto with all perseverance and supplication for all saints; And for me, that utterance may be given unto me, that I may open my mouth boldly, to make known the mystery of the gospel."

Dear Pastor and praying friends,

We thank the Lord for all His blessing as we serve Him together. All of you mean so very much to us. We are so grateful for all the prayers, love, and support for our family and ministry.

I am running late on getting this prayer letter out and ask that you forgive me. I have been extra busy, but that is no excuse.

The Lord has blessed me with a number of meetings in the churches here in the States lately. Now I am looking at several open dates so if any of you pastors would like for me to come by your church and encourage your people in the area of missions or to just be an encouragement, I would love to.

We are still praying for more missionaries to reach lost souls with the Gospel in Mexico and Central America. Please pray with us that the Lord of the harvest would send forth laborers working into His harvest.

Travel Times

Since our last letter the Lord blessed greatly in the National Pastors Conference in Linares, NL. That is the work of missionary Bobby Gates in Northern Mexico. Many hearts were touched and encouraged, and at least one young man was saved.

Our second trip was down to central Mexico in Atlacomulco for their anniversary service. It might have been our largest crowd with over 400. They set up a video screen outside for the overflow to see and hear. It was a tremendous meeting! The Lord is surely blessing there, and we give Him the glory.

MGPI Printshop

Our print shop at MWBM is 24 years old with the original roof, and we need a new roof. We have worked and patched, but it has come to the point of

needing new shingles. We are getting someone to come and give us an estimate, but I know we will need a financial miracle to afford it. Please pray with us that the Lord will provide the needed funds. If anyone reading this should want to help in this project, please contact us.

We always want to thank you so very much!
