2<sup>nd</sup> Quarter 2025

Dear Friends and Family,

The past three months have been tremendous! God has really showed up in our lives in mighty ways. We have been able to see people saved and had opportunities to witness for Jesus Christ across the eastern USA. The Lord has allowed us to be a part of planting seeds through this journey. We want to thank each of you that is praying for us and everyone that has partnered with us to reach Iceland with the gospel. We couldn't reach Iceland without your help. The deputation journey is long and can be discouraging at times, but God is faithful in reminding us of His mercy (Lamentations 3:22-23). It is also comforting to know that many of you will be praying for us. Thank you for being our anchor.

During the second quarter of 2025, we have been in some wonderful meetings from Kentucky to southern Florida. The vehicle we purchased in March has been a major blessing. Please continue to pray for traveling mercy as we have some meetings scheduled farther west this year and will have some very long drives. Also, please continue praying for our children. The long drives are difficult for them. Although we wish we could already be in Iceland, deputation has been a great blessing to us and is growing our faith daily. It's amazing to see the ways God shows up, not just in big ways but also in small ways. God not only cares about the big things in life but also our little worries as well.

We are continuing to pray that we will have the support we need by the end of 2025. With your help and the help of other churches, this is possible. We are at 62% of support. This may change as we continue the visa process and as new requirements are made known to us. A lot has changed over the last year regarding residence in Iceland. We ask that you please pray for our visa process. To get updates between prayer letters, see our Facebook page, The Larsons to Iceland.

In Christ: *The Larsons*
