Hello prayer partners,

Family

We are fine as a family. We thank God for his care. We praise God for our daughter who joined college. She is pursuing course in nursing. Pray that she may complete successfully.

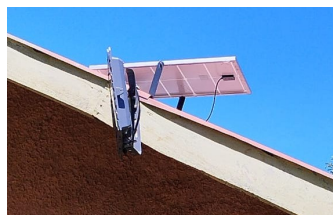

We also thank God for our son Enock who is planning to wed at the end of the year. Pray that God may provide the resources needed for that wedding.

Projects

Pray for us, we are still working on the kitchen project. We now have enough funds for bricks. We still need iron sheets, timber, cement, labour and kitchen supplies.

We have made good progress on the solar light project. We have installed 1 and we thank God for that. We are looking to acquire 4 more at a cost of \$200 each. We trust in God to provide. These will help us save a lot of on electricity costs.

We had a center that we had closed but thank God we have reopened it. We have three people who are assisting us.

Prayer Request

1. Pray for Abigael that God may help her complete her studies successfully.
2. Pray for Enock's wedding at the end of the year.
3. Pray for kitchen and solar light project.
4. Pray that the lord may give us the resources needed to run the new center.
