Dear Pastors and Praying Friends,

As spring tries to make its way to North Dakota, we have seen a rise in church attendance and even some new people coming. One man has been coming every Sunday for several weeks now and seems to be settled in at the church. We had a church fellowship Easter Sunday with special singing. We had a good crowd there. One of our families that got out of church about a year ago has started coming back regularly again. Our visits in the community have sparked some interest in the church, and follow up visits will be forth coming. We are getting more children now and desperately need someone to take our youth department and work with the children and teens. My wife is doing a Bible class during the morning service for the children, but due to health issues can't continue this for very long. She has had back problems for years, and it hasn't gotten any better with age. It takes a lot of energy to keep up with those kids. We have a few faithful members who are working hard to witness to friends and family and are even stepping up in some of the ministries. We do not have a piano player right now; so one man is learning the piano and occasionally will play a song during the service.

We have a 4th of July cookout planned on the Sunday before the 4th, and the services are usually well attended.

The ladies have decided to all go out to eat for Mother's Day at a "to be determined" date. They are looking forward to that.

We are still pressing ahead to win souls and build the church here in the Turtle Mountains of North Dakota. A lot of work still needs to be done before the Lord comes back. Thank you to all who support us prayerfully and financially. We couldn't be here without both. May the Lord bless you all.
