**April—June 2025**

Dear Pastor and Friends,

Our hearts are broken to announce that my brother Darryl passed away from a stroke June 23 at 12:50 a.m. He was 65. Please pray for his and our family during this time of grief. He and Martha had three girls and five grandchildren.

Darryl was a member of Corinth Baptist Church in Loganville where he served as the minister of music and children's ministry director for 40 years. He was gifted with many talents as an artist, photographer, musician, vocalist, a ventriloquist and a magician. He used all his talents to serve his Lord and Savior. Most importantly, he was a God called preacher. Darryl and I attended TTU at the same time. In my senior year at TTU, we both served together at the 2nd Baptist Church in Chatsworth, GA. Darryl served as our music director and I was the assistant pastor, with Keith Cullers as pastor. Those were just wonderful days of training and serving in the ministry. He met his wife Martha there, but never dated her until she went to TTU. He will be greatly missed by many whose lives were changed by his ministry.

#### **Print Shop News and Needs**

For several years now, our 24 year old print shop roof has had a lot of leaks. We have had the roof patched so many times that it has come to the place that it needs new shingles. Dr. Fred Kindhart has already sent his prayer letter out and mentioned this need. It was a blessing just a few days after, we received the first \$2,000. Please pray with us for this need.

We have had a difficult month with our large 4 color

press. One of the most important components of an offset press is the ink drying system. Our press uses an anti-offset spray powder system that is charged by a high voltage wire. The wire only last about 5 years and has to be replaced. The company that manufactures this component was bought out by another company that has not made this part before. They are working on it, but it has taken all month so far. They are estimating that it will ship by July the 7th. This part is now twice as much as the one I ordered the last time and now costs \$500.

We are working on a new tract in the Icelandic language. This tract is for the Larson

family missionaries to Iceland. Please pray as they raise their support to reach the Icelandic people with the gospel. I'm so thankful that God is still calling men and women to the mission

field. They are the "boots" on the ground for getting the gospel "into all the world" Mark 16:15.

Thank you again for your prayers and financial help. It is our prayer that the Lord will continue to bless you that you may be able to keep the supply line going that we may do what our Lord has called us to do to reach souls around the world with the gospel message of salvation.

In Christ's Service,

*David & Florence Wade*
