CARRYING THE GOSPEL OF CHRIST TO THE ISLANDS OF
PAPUA NEW GUINEA

June 2025

Dear Friends,

God is blessing, and we are moving forward!

Ministry

God has opened many effectual doors for His work in Milne Bay. We are now completely settled at Normanby Island and have begun to re-establish an existing church in our village of Kwanaura: Eastern Sky Baptist Church. We have a handful of men and women that we are discipling, and I anticipate God doing great things through this church.

Back in February, we officially started Island Hope Bible Institute. We have 17 people that we are working to train into faithful laborers. Eight of these are from Kwanaura, while nine of them come from various corners of the province (We house them on the bible school property.) We live close to one another, so we are blessed to spend a lot of time with these folks. We study together, we work together, we eat together, and we preach together. Time together inside the classroom allows us to give knowledge, but being together outside the classroom allows us to build trust, faith, counsel, and character. We have seen the Lord's hand proven in years past in the training of Pastor Amos and Pastor Brandon, so we are confident in His ability to get these newer servants ready for service. Titus 1:5 is the verse God used to confirm His direction for us, and it is amazing to see how He has helped us to "set in order the things that are wanting" and "ordain elders." With our students, we have been bouncing around different areas preaching in villages and surveying potential church-plant locations. Please pray for souls to be saved and new churches to be established!

Family

God makes His love for the Wilson family abundantly known. We are enjoying the place where God has called us. Of course there are struggles, but any inconvenience or discontentment is quickly forgotten once you have tasted a freshly-caught mackerel and a freshly-picked island pineapple. Our house is now mostly complete. Good Shepherd Baptist Church in Brisbane, Australia sent a team of men to help us work on the house. These men wired the whole house, installed the solar kit, built the sewage system, and did much construction to make the house livable. They ministered to us and our people greatly! I am amazed at the ability of God to connect people, and I am so overwhelmed by the love of the brethren. We have now completely moved out of Alotau and are moved into our new house on the island. The many sleepless nights worrying about the completion of this move now seem vain (Psalm 127:2 is right.)

We greatly appreciate all your faithful prayers and support, we appreciate your help in the Lord's work in our corner of PNG, and we appreciate The Lord for His faithfulness!

Sharing the Truth

But none of these things move me, neither count I my life dear unto myself, so that I might finish my course with joy, and the ministry, which I have received of the Lord Jesus, to testify the gospel of the grace of God. Acts 20:24
