Missionaries to IDAHO

Ray, Dawn,
Jay, and Timothy

Hello Friends,

May and June 2025

May and June have come and gone. We are in full summer mode now. The weather is hot and dry. School is out for the summer, and we are enjoying the extra time we have to get out and do more visiting and inviting to church. Jay began working at a local grocery store and decided to continue his schooling through the summer to keep ahead. He is still on target to graduate in 2 years with his high school diploma and an associate's in computer science. It is exciting to see all God is doing through him at his new job and through all the new people he meets each day. Timothy is enjoying the extra park time and play time summer brings. We recently started going to park day that was created by some other local homeschool families, and the Lord has allowed this to be a new outreach for Dawn and me as well as an opportunity for Timothy to make new friends.

In May, Dawn was asked to speak at a combined ladies banquet in Montana. She and our ladies traveled over and enjoyed fellowship with the ladies of Lighthouse Baptist Church of Superior, Montana. On Mother's Day we celebrated our ladies at church as well. We helped the Ballew family unpack their moving truck when it arrived, and we took the youth on an outing to the bowling alley, and the Ballews came to this as well.

In June, we celebrated the end of the school year for all the kids with our 2nd annual ice cream party at the church. The kids really enjoy being creative making their ice cream sundaes. Our church joined Lighthouse Baptist for VBS again this year. The theme was Dino Mite, and boy, did we have a great time helping teach as we learned about creation and where the dinosaurs are found in the Bible. On June 15th, we celebrated our men for Father's Day. There is a picture of the men on Father's Day included in this prayer letter. In this picture you can see a man in the front on his knees. He is living on the street nearby the church, and he has been faithfully attending our services. We believe the Lord is working in his heart. Please pray for him; his name is Shane.

We had a special service in June where the Agee family came to sing and Pastor Josh Phillips from Greater Grace Baptist Church of Coleville, Washington came to preach for us. Bro. Josh brought 2 other preachers from his church with him, and we also had several people from Lighthouse Baptist Church of Superior, Montana join us. Our own people were faithful to come and invited several as well. This event brought us our biggest number to date of 40 people.

The Lord has really been blessing the church in many ways. The last 2 months have brought 12 new faces into our church services. This is not including all the visitors that came for the special singing and preaching. We saw 1 man saved in one of our Wednesday night services too. We are seeing our church grow not just in number but in spirit, and for this we are eternally grateful. God is using our small church to reach our communities in various ways. Our fellowships are fruitful, and visitation is working. Please continue praying for us as we strive to reach the lost in our community and be an encouraging light to other believers around us.

Lastly, I would like to ask for prayer for our communities as we mourn the loss of 2 firefighters in a recent ambush that took place in Coeur d'Alene, Idaho. There is another first responder in the hospital recovering from this tragic event as well. This definitely hit close to home for me, especially as I personally have several first responders in my own family.

Thank you for all the support and prayers,

Bro. Ray Godfrey
Psalm 119:173
