Dear Pastor and praying friends,

Whereas ye know not what *shall be* on the morrow. For what *is* your life? It is even a vapour, that appeareth for a little time, and then vanisheth away. James 4:14. Time is moving quickly as this year has flown by, and there is so much to do. We must be working diligently before our Lord returns.

Yvette is still recovering from a heart attack she had in January. She had 100% blockage and had a stint put in. She also was diagnosed with systolic congestive heart failure. Only 35% of her heart was working right after her heart attack, but it is up to 60% right now. She went back to the hospital Easter weekend because of chest pain and being short of breath. They ran tests, did a catheterization and her vessels were clear; but she is retaining fluid on her heart. Praise the Lord for His goodness! She could have been worse, but God is watching over her. She is playing the piano again and teaching the Ladies Sunday School class. It is a full class, and she needs more chairs in her classroom. Praise the Lord!

Our Lord was seeking to save that which was lost. We must be about our Lord's business. A teenage boy and a young lady raised their hands they were not saved. One is very confused about religion. I am burdened for them, as well as Zack, the husband of the lady who was saved out of Mormonism. He's been coming to church with his family, learning, and getting closer to getting saved. The devil has really been fighting him and hindering him lately from coming to church. Please help us pray for these that God will open their eyes and accept Christ as their Saviour.

Evangelist Chris Simpson (my former Pastor) preached our Spring Revival. He preached and did the special music. Our church was encouraged and helped with his encouraging messages. We had a lady we have been trying to get to visit our church for a long time. She came and enjoyed it. We are praying to reach her whole family for Christ.

My wife had a Ladies Tea at the Blue Owl for Mother's Day. Missionary Cathy Stahlman was the guest speaker, and her devotional was such a blessing. She also gave us a tremendous tool for sharing the gospel and encouraged everyone to take every opportunity to witness. My wife was so excited because the ladies had brought neighbors, friends, etc., and some of them are lost and unchurched ladies. One of the main reasons we have activities is to get the gospel out to a lost and dying world.

We are now preparing for Vacation Bible School. We are reaching out in our community and trying to get boys and girls to come hear the good news. Please help us pray for souls to be saved and a good turn out of parents to share the gospel with so they will have the opportunity to be saved.

Thank you for all your prayers and financial support!
