

The McClain Family

Missionaries to Thailand

March-June 2025

Dear Pastor and praying friends,

The first half of this year has gone by very quickly, but we thank the Lord for His faithfulness and seeing people allowing Him to work in their lives.

In our last prayer letter, we talked about a family and their two adult children, in which one is married and has children. Our team has been able to continue having Bible studies with them, and they have been coming pretty regularly to Lanna Baptist Church. During one of the Bible studies, the husband's younger brother felt like he needed to get saved, and therefore humbled himself and asked the Lord to save him. Then during the course of the next week the husband, wife and youngest adult child were talking about the Bible study, and they felt like they have never really understood the gospel, therefore they humbled themselves and asked the Lord to save them. Then after a couple of weeks they all received baptism and joined Lanna Baptist Church. Please continue to pray for this family and for their oldest son and his family, because Satan's army has been fighting them. Pray that they will allow the Word of God to build them up in their relationship with our Lord Jesus Christ so they will be an instrument in getting a church started in their neighborhood.

Just a couple of weeks ago while we were going door to door in a community where some members of Lanna Baptist Church live, we ran into a young man that listened to the Gospel but was not ready to make a decision, but he told us he would come to the Sunday meeting of Lanna Baptist Church. Praise the Lord, he did come, and after he left, some church members from his community told us his background, which reminded me of the wild man in Mark 5. We thank the Lord that he has been coming almost every week, and he has already made a profession of faith. Please pray for him because he is battling with the consequences of various sins, and we are praying that if it will be best for him that the Lord will make him whole.

We praise the Lord that it seems like a good number of the brethren of Lanna Baptist Church have received what the Bible teaches about Faith Promise Missions and are being faithful in keeping their commitments to our Lord Jesus Christ! At the same time, they are still faithfully following the Word of God and giving to support their church ministries. To God be the glory!

We had our second Youth Revival in April, and we thank the Lord that we had around 80 teens and

young adults and for every person that allowed the Lord Jesus Christ to work in their soul. As a result of this, 10 of them made a profession of faith, and 10 of them said they are willing to serve the Lord full time. Five of these are the results of your continual faithful prayers and support over the 14 years we have been serving our Lord Jesus Christ here in Thailand. If you all had not remained faithful in being our support ropes, more than likely these would have not made these decisions anytime soon. We thank the Lord that we are seeing fruit even though the journey has been long!

As a result of the Youth Revival, we started Bible Institute classes on Friday nights and have six students from 17 to 20 years old. Please pray with us that these students will continue to be faithful to learning the Word of God and allow it to change their lives, help them reach others, and help people become followers of our Lord Jesus Christ.

We praise the Lord that our girls have finished their first year of Bible college! They are currently helping at a Baptist summer camp and are about to come be with us for almost a month before they start their second year of Bible college back in the US. Please continue praying with us that our girls will not only get head knowledge but that they will allow our Lord Jesus Christ and His Word to conform them into His image and lead them in every area of their daily life. Please also pray for their traveling to come see us on August 1 because they have never traveled internationally by themselves.

Please continue to pray with us because since the end of last year until now, I have gotten sick several times and also have had problems with pressure and pain in and around my ears more than I have ever had. I have been to a couple of specialists, but so far the only medicines that have helped are ones that I take once it seems like I am going to have problems similar to vertigo. Please pray with us that the Lord will have these things stop soon because there are several things that I need to get accomplished as soon as possible, but these sicknesses are slowing me down.

Please remember we are also praying for each of you to stay close to our Lord and Saviour Jesus Christ and that you will allow Him to use you in each of your churches in showing His love and care for each person in your communities and around the world.
