Dear Pastors, Friends, and Faithful Supporters,

It's such a joy to greet you again and share an update from Wales! Our hearts are overflowing with thankfulness as we look back on how God's faithfulness has carried us through every up and down. He has been our constant source of strength and provision.

A June to Remember!

Most of June was spent preparing for our biggest event of the year, our Community Family Fun Day, which took place on July 5th. Despite threatening weather and last-minute volunteer changes due to various circumstances, the day was a huge success! We had nearly a hundred people in attendance. Kids enjoyed hours of fun on obstacle courses and bouncy castles, playing carnival games, and winning prizes. Most of the people in our chapel volunteered to help and had a wonderful time serving. This was encouraging to us, to them, and of course, to the community as well.

In the midst of all the crazy preparations, we also celebrated our 28th wedding anniversary on June 21st. We want to thank all of you who sent cards, emails, messages, and well wishes. We were able to take the entire day off and just spend the time together with no other obligations bearing down on us. It was a wonderful reprieve from all the stress!

On the Horizon: Youth Camp & Chili & Cornhole!

In a couple of weeks, Ron and I will be away for a week helping out at the UK-wide Youth Camp. There are over a hundred campers signed up, and we're excited about this opportunity to reach these young people.

After that, our next big event is just a month away! We'll be holding a chili cook-off and cornhole tournament. This will be our first attempt at this particular event, and we are hoping to see a good turnout. We're also praying for another opportunity to witness to the people in our community and help them to see the love of Christ in us.

Prayer Requests

As always, we thank you for your many prayers and support. We do ask that you also pray for our ministry partners, the Downeys. They will be returning to the States for a brief furlough during the autumn. Also, Tennille's father is having heart surgery in August. She will be staying with her parents to care for them during that time, so there are numerous logistics for them to work out in the coming weeks. There will also be a financial strain for this extended stay. Please pray that the Lord will provide for them and meet their every need.

Your prayers and support sustain us as we "press toward the mark" (Philippians 3:14). How we rejoice to partner with you in building Christ's kingdom here in Wales!

In Christ's Hand,
Jason and Dana Rongione
