Ministry

Praise the Lord for an amazing month! We began with Father's Day; it is a week earlier here than there. Then we had a baptism service the next Sunday where our daughter Emily and two others were baptized. They were both saved out of Catholicism. The next Sunday we had our church's eighth anniversary service and the building dedication. We had one hundred and twenty people in attendance that day and Pastor Chris Mann joined us to preach. It was a very exciting day for us as we celebrated all God has done, especially giving us our building. I asked those who had gotten saved during their time at our church to stand and it brought me to tears to see about a third of the room to stand up.

We have seen several saved recently, we had three saved in just one day of street preaching. One of which was raised as a Turkish Muslim. A young man who had been coming to the church while facing much persecution from his family also prayed to trust Christ recently. Please pray for him as he still faces opposition for his choice to trust Christ. We had some of our neighbors to come out and support our anniversary service too, that was very exciting. We especially appreciated that the couple we bought the building from came too.

We finished June with a very exciting announcement. We will be opening the Belgian Baptist College of the Bible this fall! We believe it is necessary that we train our people to serve God here and this is a very important part of the process. We will start off with a structure more in line with a Bible institute but plan to expand soon. We opened early enrollment for our church and have already had ten people to sign up for the first semester.

Personal

It has been a busy time for our family as well. Lory and I celebrated our nine-year anniversary, God bless her. Both her mother and mine also came to visit us. Please pray for her mother, Maria Radu, she has spent a couple of weeks in the hospital in critical care. Thankfully she made a miraculous recovery and is out now, but she is still greatly in need of your prayers. Please pray for me as well as I have some medical tests I need to have done soon.

Prayer

Pray for us to be able to purchase the apartment on the front of our building.

Pray for Lory's mom to continue to heal and to join us here in Belgium soon.

Pray for the Bible college and for us to be able to train people to serve God.

Pray for a youth ministry we will also introduce this fall.

Pray for those who have recently gotten saved, to grow.

Pray for me and some upcoming medical tests I will do.

Pray for Gail, she is still getting better little by little.

Thank you for your faithful prayers for our family,
you are a much-needed part of our ministry.
You will never know how much of a blessing you
are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
