1 Corinthians 1:9, "God is faithful, by whom ye were called unto the fellowship of his Son Jesus Christ our Lord."

Dear Pastor and praying friends,

We thank the Lord for His great faithfulness. So many years, so many miles, so many blessing, yes, God is good! We greatly rejoice for the honor and joy of serving the Lord together with you. Our prayer is that the Lord is blessing all of you as you serve Him where you are at.

I have been blessed to have the opportunity to preach in several churches in these past two months. We have been in both English and Spanish churches in Alabama, Georgia, and South Carolina.

Even though we have a number of open dates in the next months ahead, the Lord has so often blessed me with last minute meetings. If any of you pastors would like for us to come by and do our best to be an encouragement to your church, please let us know. It would be a great honor.

We know many churches are having their VBS in these months, and we have been praying the Lord will greatly bless and use you all. So thankful for VBS and Youth Camps where young lives can be touched by God. Keep it up; it is worth all the effort!

Travel Times

Once again, I am headed to Mexico on August the 4th for the Annual Pastors Conference. This meeting is in the central part of Mexico and has always been a great blessing to everyone that attends. Some pastors travel from several hours away to be there. They often bring a good number of people from their churches; and along with people from the more local churches, it seems to be revival time. Pray with us as we travel, preach and interpret for others during the meeting.

MGPI Printshop

MGPI Printshop

I know I mentioned this in our last letter but wanted to share it one more time! Our print shop at MWBM is 24 years old with the original roof, and we need a new roof. As I mentioned, we recently did some patching, but pray

the Lord will help us raise the money needed to replace it. One dear lady sent in \$2000 in memory of her precious daddy that we had done printing for some years ago. The estimate we have been given to remove and replace is around \$20,000. I know we can't, but God!

We always want to thank you so very much!
