GUYANA

Dearest Church Family,

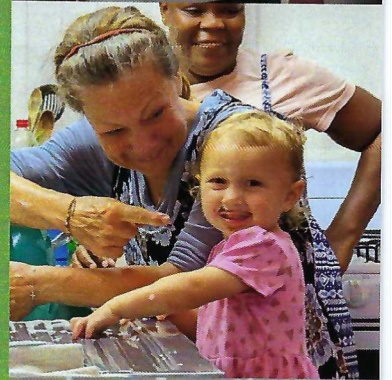

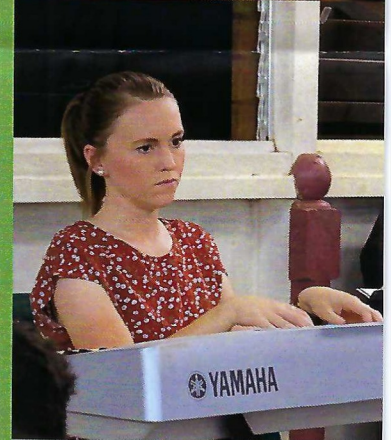

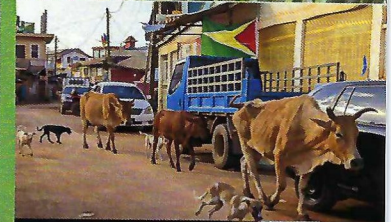

July 2025

I am writing this letter to you from our new home in the rainforest of Port Kaituma, Guyana. It stays very hot here all year long, but the heat of our two dry seasons is relieved by our two long rainy seasons which brings with it a cool breeze before each storm. One of my favorite things here are the myriad tropical fruits that abound all around us. We can take a work break and drink cool fresh coconut water straight out of the nut. We enjoy fresh pineapples, mangos, guava, cashew fruit, and tiny bananas that are so sweet they can be frozen and made into ice cream. My other favorite thing about Guyana is the cool early morning sunrise. We are awoken out of sleep and drawn to spend time alone with God by the gentle sound of a thousand tropical birds all singing together in thanksgiving to their Creator for the morning meal.

But all these beauties are quickly vanquished by the spiritual darkness that overshadows this land. Men and women alike stagger in a drunken stupor as though they are dead men walking. They lie, fight, steal, and even kill to find enough food to keep them alive, and enough liquor to keep them from knowing it. This horrible scene is especially true of our outlying villages in the interior where men try to find work in the gold mines. We have a church plant in the village of Falls Top where we hold a service every Tuesday. In this village, and many others like it, one will scarce find a man who is not wholly given over to the brewed spirits. Bodies are covered in unattended wounds and scars from drunken accidents and machete fights. But in the middle of all this... God has given them a Lighthouse! Please pray for us as we live and serve among the members of Lighthouse Baptist Church to reach these dear lost souls!
