Dear Faithful Supporters,

Greetings from Wales! I know it might seem like we've forgotten about you, but our summer has been a whirlwind of activity. And believe it or not, we've had an unusual summer full of warm temperatures and sun that has lasted for months! While we've enjoyed the sunshine, the local farmers are desperately in need of rain, and we're starting to miss our cooler Welsh weather. Despite the heat, our ministry is going strong, and we are excited to share a few of the highlights with you.

Youth Camp and Community Fun

The end of July was a blur as Jason helped at the UK-wide Youth Camp. It was a tiring week, but also incredibly fulfilling, with a few young people making professions of faith and the seeds of the Gospel being planted in many hearts. The first picture shows that I'm always willing to go the extra mile for the ministry, even if it's on a mechanical sheep.

After a busy camp week, we were ready for some fun and fellowship with our community. On August 9th, we hosted our first annual Chilli Cookoff and Cornhole Tournament. We had about 15 people attend, and the best part was seeing several new faces! It was a great opportunity to get to know our neighbors better and share the message of Christ in a relaxed and fun environment.

Looking Ahead

As we head into autumn, things should slow down a bit, which will give us more time to focus on one-on-one witnessing and planning for next year. We're also brainstorming some new ideas to connect with the young people in our community and will keep you posted as those plans develop.

We were also blessed with a brief visit from our field directors from the mission board. We spent a wonderful day of fellowship and explored the many bookstores in Dana's favorite place: the Welsh booktown of Hay-on-Wye.

A Heart of Gratitude

We're so grateful for your continued partnership. We also excited to announce that even after three and a half years here on the field, the Lord is still bringing in new support for our ministry! Thank you to those who have been with us from the beginning and to those who are new supporters. We truly couldn't do this without your prayers and financial gifts.

In Christ's Hand,
Jason and Dana Rongione
