## Richard & Sylvia Vance Printing Ministry

May-July 2025

### A Great Company

God, in His infinite wisdom, has proclaimed His plan for world evangelism in Psalm 68:11. "The Lord gave the word: great was the company of those that published it." God's people are that great host of witnesses. Together they publish His Word around the world. Thank you for your support and prayers for this ministry. You have a part in getting the Word of God out to the lost through MGPI.

### Restricted Flow

In the last few months there have been numerous small tract orders. We have also printed orders for door hangers, letterheads, youth ministry booklets and other projects as well as church flyers and postcards.

Even though it seems that the requests for Gospel tracts have diminished somewhat as compared to previous years, we believe sharing the Gospel through the printed page is still an important method of reaching the world for Christ in this digital age. The printed page can go beyond the scope of digital pages.

### Prayer Requests

Concerning the Print shop needs, we are praying for more volunteer helpers. We are asking God to send us young people who feel the call to learn the printing ministry. Having printing experience is a plus, but not necessary. A willing heart that is teachable is needed at the print shop.

Other prayer requests are for the finances to cover the cost of roof replacement on our building. The print shop building is 24 years old now and the metal roofing is leaking badly. Brother James Gherardini came over and tightened up the screws and did some roof repairs, but replacement is needed soon. It will be around \$20,000 to get it replaced. Also, we are finding it hard to get replacement parts for our big press.

May the Lord bless each one of you in these last days.
