Ministry

Thank you for your prayers, we had our best summer yet. We saw several souls saved during the summer, and even with all of those on vacation our attendance stayed around eighty each Sunday. Our ministries also prospered, even adding another city to our door knocking. In July we had six of our men, two teens, and Josiah to each take turns preaching on one of the fruits of the Spirit. This was the first time Josiah and Lory's nephew Jossua, one of the teens, have brought a sermon. Each of them did an amazing job.

Our most exciting event in this period was our Vacation Bible School; it was certainly our best one yet. We had about thirty-five children in total, and over thirty every day. We had about three children saved, and about five more to get assurance of their salvation. A few of the children were from the community, which was nice as we gave out a lot of invitations in the neighborhood.

I was asked to give an update on the apartment attached to our building. While I refer to it as an apartment it is actually a four-bedroom house and is quite large. Our biggest concern is that it is over the front of our building, so, if a new owner wants to hang a gay pride flag, it would be over our entrance. It is illegal, but it would cause a lot of damage before we could have it removed. We already had a problem with the owner flying a Turkish flag, covering our sign. Our desire to buy it is to make it the home of our college, to move our children's ministries there, and to build a prophet's chamber. By my calculations it should accommodate these. We are currently negotiating this purchase; the owner is willing to finance it like he did our building. We have fifteen to twenty percent of the value already. Pray that God would give us wisdom concerning this.

Personal

Both Hannah and Josephina thank everyone for all the birthday wishes, they are five and one now. I also thank you for the prayers for me, I had great answers from my medical tests. Please pray for my mom, she had a heart attack in August, but is home and doing as well as can be expected now. Thank you to Mayfield Village Baptist Church for the care package sent to the children.

Prayer

Pray for our Bible College we have already began with over twenty-five students.

Pray for wisdom concerning purchasing the apartment and for God to provide.

Pray for a new teen/youth Bible study we will begin at the end of September.

Pray for our youth conference on September 20th and 21st.

Pray for my mom and Lory's as they both slowly recover.

Pray for Gail, each cancer screening brings better news.

Pray for us as we begin a new year of home schooling.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
