**MUSCOTT**

**GUYANA**

Dearest Church Family,

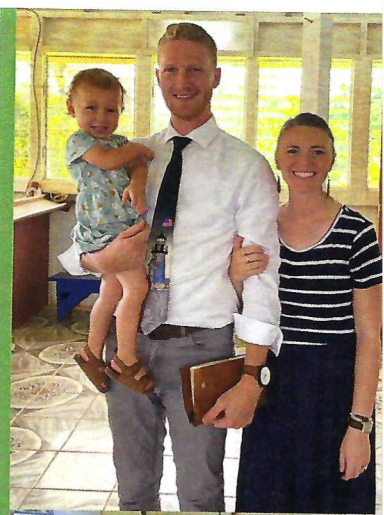

August 2025

Yes... for those of you who caught our subliminal message at the close of our last letter, we are expecting a baby BOY at the end of January! Please pray for a healthy baby and for a smooth and safe delivery.

We moved to Guyana on July 26th, just in time for our VBS. We had nearly two hundred children in attendance for the games, crafts, skits, snacks, puppets, and preaching. At the end of each day, the best behaved children throughout the day get a ticket to ride our world class "train" made of hand trucks and blue plastic barrels. In a place where these children don't have much, this is the highlight of the year for many. By the end of VBS, every child heard a clear presentation of the Gospel and a few of them seemed to respond to the message. Please pray for lasting and eternal fruit in these little hearts.

Immediately after VBS, Haylee's parents who helped us move down, stayed for another week to help us begin to settle into our new home. We still have much work to do for our house to become our home, but we are getting closer each day. Everyday life here in the village is very different from that in the States. What would ordinarily be just a quick run to the grocery store for a few things is a one mile walk to the market, two or three hours of searching all the little shops and stands, and then a one mile walk back to the house in the blazing jungle humidity, arms loaded with goods and drenched with sweat. This is not a complaint, but just a description of the adjustments made for life here. Sabina is adjusting better than all of us, probably due to the frequent sighting of a stray dog or the hug of a neighborhood kitten. Please pray with us that God would grant us wisdom and discernment to know how to minister to these dear people. Your Servants In Christ,

Blake, Haylee, Sabina, & Baby
