Hello Prayer Partners,

God is great for His love endures forever.

Honor and glory be unto Him.

Family

We are doing well as a family only some health challenges here and there. For the last three weeks I have been in and out of hospital due to some problems with my finger. I accidentally touched a poisonous insect which caused a serious infection in my finger requiring a section of my finger to be cut off. Thank God it is getting better however I'm still seeing the doctor daily for cleaning and wound dressing. Despite that we are doing ok and all our children are doing well.

Church

Last week we had a wonderful annual prayer day service. It was well attended and the message was great. Many surrendered their lives to Jesus that day.

Care Ministry

The program has been very important for our ministry. This programme has been great to the community. We reach out to the needy children from the community. We provide them with education, feeding them and providing them with daily needs. Currently we have 18 of them. Thank you for praying and supporting this program.

Christian School

Our christian school is doing very well. Currently we have 125 learners. We also have 16 teachers and 6 non teaching staff. The only challenge we have is the kitchen and dining hall. Thank God, the government understood our financial situation and allowed us to continue as we raise funds. Pray for us we dont know how long they will be lenient.

Projects

This year we have had three projects, the kitchen, solar school lighting and one time feeding programs. The kitchen project is at 40% complete. The solar lighting is complete and one time feeding program is at 60%. We thank God for that.

Furlough

Pray for us, we would like to come for a forlough for a minimum of 2 months. We will soon communicate to our home church to request. Our support has gone down significantly. Pray for us.

Our Prayer Request

- a. Pray for my health.
- b. We need strength to continue serving God.
- c. Pray for my daughter who will do her certification exams soon.
- d. Pray for our projects that God may give us the resources needed to complete.
