### Why Do We Doubt God?

Jehovah Jireh, means *The Lord Will Provide*. God is quietly arranging things behind the scenes so that they will be in just the right place exactly when we need them. He is faithful to hear and answer those who call upon Him. I am often guilty of doubting God answers prayers. God said, *"I will therefore that men pray every where, lifting up holy hands, without wrath and doubting."* 1 Timothy 2:8

I need to remember, *"Now unto him that is able to do exceeding abundantly above all that we ask or think, according to the power that worketh in us,"* Ephesians 3:20  
We should not doubt God's faithfulness.

### Answered Prayer:

The print shop building is 24 years old and, as you can see in these pictures, the metal roofing was leaking badly. Many areas of the sheathing were water damaged. **Praise the Lord the \$20,000 has come in and the roof replacement is done! Praise the Lord!** God is Faithful, *the Lord Will Provide*.

### A Prayer Need:

Sylvia was in a car accident last month on her way over to the print shop to pick me up. The other driver was at fault but no one was hurt. Sylvia had some minor cuts and bruises caused by the air bags. She is doing well, but the van was totalled. So now we are praying for the funds to pay off the loan. Also, we do not have the money for a down payment on another vehicle either. We're kind of in limbo right now patiently waiting on God. He will provide!

### Special "Thank You" Message:

A good friend of ours was always sharing his special "Thank You" tract every where he went. After his death, his wife gave us permission to make them available to our customers and now we have one designed especially for ladies. These tracts are a nice pocket size.

Thank you for your prayers and may the Lord bless each one of you in these last days. Remember, *"the Lord Will Provide!"*
