

THE WORLEYS

Church Planters in New Mexico

Dear Christian Soldier,

September 2025

As the summer is coming quickly to an end, are we committed and fully surrender to God's Will in our lives? Galatians 2:20 "I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me." We do not have long to preach the Gospel of Jesus Christ to the lost and dying world.

Praise the Lord for the Young Adults God has brought to our church. Isaac started one on one discipleship with Caleb this summer; he has a hunger and desire to follow the Lord with his life. Joah also has started one on one discipleship with Joy; she has a desire to grow stronger in her faith as she starts in the fall at the local university. Emily has spent the summer with a mission team that has traveled across the state helping churches with their VBS and other summer activities. Enrique is another college student that has started coming to the church; he has got involved with our Men's Bible Studies and activities here at the church. I ask you to pray for each one of these young adults that they will grow closer to Jesus everyday in their walk with Him.

We had a great summer with our two- day kids camp where several kids came to the camp and was challenged not just about salvation, but also about how God has a purpose for each of their lives. We are trying to start a Wednesday night program for the kids. We will be teaching them the books of the Bible and also ground them in doctrines of the Word of God. Many of the kids in our church go to the local public school where they are facing on a daily basis the homosexual ideas and other secular things from this wicked world. I ask you also to pray for our young people as they go to school and face many things that are anti- God and anti- Christian.

We have two new young ladies that started coming in the last couple months. Their names are Kai and Leo; they are both searching for the love of Christ for their lives. Pray God will work on their hearts. As a Pastor, it breaks my heart to preach and teach the truth of God's Word and see people reject it and just walk away. Pray that they will come back to God and church. .

May we not stop praying for revival, not just here in our church in New Mexico, but also in all churches in America. The Bible reminds us 2 Chronicles 7:14 "If my people, which are called by my name, shall humble themselves, and pray, and seek my face, and turn from their wicked ways; then will I hear from heaven, and will forgive their sin, and will heal their land."

In Christ,

Caleb & Joy Worley
