

September – October 2025

Dear Pastor & Church,

Blessed to pass another mile stone in life as I turned 70 this October. Coming up on my 55th anniversary since God called me to preach. Since our last field report, we have traveled to several supporting churches and given updates on our new role as Far East Field Director. It has also been one year since we returned to the states and have traveled 23,000 miles during the last year.

Since we served just over five years our last term and now, we have been home for a year, then it has been over six years since we have given some of you an in-person update. We would love to book a date so we can do so. Please contact us by email or phone to schedule a date. Email stanleyewing@mwbm.org or stanleyewing@yahoo.com Our phone numbers Stanley 770-697-5593 Melinda 770-697-5452

We are looking forward to and invite you to join us for morning and evening services this November 9-12 for the annual conference of Macedonia World Baptist Missions. This year it is being hosted by Peoples Baptist Church. Their address is 850 Mill Road, McDonough, Georgia.

Thank you for your faithful support of us and the ministry. During the last three months we have sent all our support to Indonesia to help our seven national pastors and for replacing the roof on the girl's home. We had one church to send in \$3000. but the workers ran into more termite damage and rot, so we are replacing the back half of the house with light weight steel rafters.

Love in Christ,

Stanley & Melinda Ewing
