Ministry

September was a blessed month with several souls saved. The most exciting of all is that our second daughter Hannah trusted Christ as her Savior. She had been under conviction for some time and finally came to us just before Josiah's birthday. It was precious for him because he prays constantly for his sisters to be saved, it is always his prayer request at church. While street preaching Lory and I lead a Catholic man to Christ. Then, the man who organizes our door knocking in the Netherlands was able to lead his neighbor to Christ with the help of the man who organizes all of the rest of our evangelism.

We began our first Semester of the Belgian Baptist College this month as well, and it is going better than I could have imagined. We have thirty-five students currently taking classes. Most of them are from our church but we have about ten from outside the church, coming from four different countries. The feedback has also been incredible as so many are getting help through it.

In mid-September we had our youth conference with over thirty teens attending the first day and over forty the second day, the biggest one yet. This year we hosted the first day and Calvary Baptist Church in Mons, Belgium hosted the second day. We also took the teens to give tracts in our city center. We gave out more than 1,500 tracts in just a short time, and then I preached.

Finally, we began a new teen Bible study, before the morning service. We have children ministries but needed to do something for the teens. Our first meeting of this went great, we had about ten teens and are already expecting this ministry to help them greatly. We are also using this to try to reintroduce Sunday School, since we stopped it due to having our services back-to-back on Sundays. Some of our men are teaching these classes while I teach the teens.

Personal

The kids started back to their home schooling for the year and it has gone great so far. They really appreciate your prayers. Hannah seems like a whole different student since trusting Christ. Josiah also wants to thank everyone for their birthday wishes. He is eight years old now and is growing much too fast.

Prayer

Pray for God to provide a way to buy the house above our church if it's His will.

Pray for our Bible College that it will continue to grow and be blessed by God.

Pray for our missions conference at the end of October to increase our giving.

Pray for my mom she was in the hospital with an infection.

Pray for God to provide more laborers for our ministries.

Pray for Gail to continue healing and to be cancer free.

Pray for our teen ministry and Sunday school to grow.

Thank you for your faithful prayers for our family, you are a much-needed part of our ministry. You will never know how much of a blessing you are to us, at least not on this side of eternity.

With Sincere Gratitude,
Bro. Junior Haley
