Goals
Evangelism & Discipleship
Training leaders
Planting Churches

Dear Partners in Ministry,

Because you prayed- One of our most urgent prayer requests has been answered. The Town Board and Water Services has approved our application for running a water line to our property. It will connect from the main and then down two side streets to our front door. Our cost? "Only" \$8875 US. There is a ten-week timeline for installation, plus an additional \$475 US for installation of the meter at the street. The Lord has provided this need. Thank you for praying.

I have been asking prayer that more men would get involved in the everyday ministry of The Island Baptist Church and choose to become faithful members. It is too early to begin saying "We've found our pastor trainee," but we do have an answer to your prayers. Recently, one of the men began to bring more of his family to services and even brought visitors from the neighborhood. I am rejoicing because it was such a great change in his behavior and he's testifying to others.

Please pray specifically about this- One man is beginning his spiritual journey and has admitted that he thinks he would like to preach. The desire to preach is a good thing, and it could lead in the future to him being called to pastor. (I don't call men into ministry, of course; the Lord would have to work that out.)

My wife, Angie, and I covet your prayers for our health and that we will stay strong for the everyday struggles that confront a missionary family.

*Thank you for your prayers and support,
David and Angie*
