Buenas tardes de Nuevo México. I hope and pray this letter finds you doing well and the Lord is blessing you. We've much to share with you.

The work in Bernalillo continues to move forward. However, we wish it would start progressing at a quicker pace. We praise the Lord for those of our core group who are faithful no matter what. These are the backbone of the church. Others seem like they are struggling. One of the struggles that the work has is the lack of commitment on the part of some believers. Of course we pray for them to get in "all the way" but the fact is some require more work to cultivate good solid habits in their Christian walk. Sometimes it takes years to get them rooted and grounded. Their religious culture fosters this behavior and it takes "pick and shovel" work over years to get them to commit to being faithful. After it's all said and done, we thank the Lord for each of the part time Christians, the sometime Christians, the anytime Christians, and the full time Christians that the Lord has saved. Each has their own challenges and all require special attention and love. We pray for them and encourage them to find something they like and be faithful to it.

We pray each day for the Lord to cause the church to grow S.F.P.N. We pray for the Lord to cause the work to grow **spiritually**. We want to be quality Christians. We want to be growing in our daily walk with the Lord. We pray for the Lord to grow us **financially**. Currently the church supports eight mission works around the globe. We pray for the Lord to bolster us so we can do more. Also, we pray for the Lord to cause us to grow **physically**. We are praying for our own building in the not-so-distant future. The vision the Lord has given us will require larger facilities. We are currently meeting in a rented house. We also pray for the Lord to grow us **numerically**. We want to see the work grow in quantity: both in number of membership as well as number of churches planted.

My wife Amanda and I very recently made a lightning quick trip to visit our families. We had not seen them in almost eight years. In our very few days at home we were able to spend time with our families and also get to visit our home church and meet our new pastor and his wife. It was wonderful to visit with them and to catch up with our church family. We were able to be there during their missions month and give a report of the work here. After a week in Tennessee, we are back on the field and running 100 mph as usual.

We want to thank you with all our hearts for your faithful prayers and support of the ministry the Lord has called us to. Thank you so much for your burden for souls.

Your missionaries,
