MUSCOTT

GUYANA

Dearest Church Family,

September 2025

The faithless and unbelieving prayer made by the church in Acts twelve for their imprisoned preacher never ceases to amaze me. Peter was in prison and would have been killed, "but prayer was made without ceasing of the church unto God for him." When he was miraculously released and found his way to that very midnight prayer meeting, they didn't believe that God had answered their prayer! I say all this because this account bolsters my faith and dependence upon your prayer to God for us. Sometimes, you don't know how to pray, but God hears you. Sometimes you don't pray in faith, but God still comes through. Thank you for praying for us!

I would like to ask you to pray for a few souls whom we have been witnessing to lately. DUNCAN: an English speaking Chinese man with an open heart and little knowledge of the Gospel message. DANIEL & GRACIE: a Venezuelan couple who run a small restaurant at our airstrip. Gracie is due to have a baby around the same time as Haylee. They both have a very Catholic background but are open to the Gospel.

Sabina started feeling sick, and then grew worse. Each day we would think she was improving, only to see her fever, aching, and vomiting return. After several days, we took her to our little "hospital" but immediately knew we needed better help. By that afternoon, she developed a head rash and so we flew her to a doctor in the capitol. After a whole day of waiting and being redirected, God put us in the office of a wonderful pediatric doctor. He could not verify that Sabina had Dengue, but did treat her for infection and in a few days, her health was restored. Praise God! We have just returned to the States for the last month of our deputation travels. We plan to return to Guyana in mid November. Please pray for us as we are still working to secure our Visas. Your Servants in Christ,

Blake, Haylee, Sabina, & Baby
