Missionaries to Argentina

Greetings from Argentina,

August-September 2025

We rejoice in what the Lord is doing here in Argentina and thank Him for the privilege of serving Him with our lives. God is good!

August began with a special Children's Day event where we had over 200 children in attendance along with more than 100 adults. Many of them heard the gospel for the first time. Several accepted the Lord as their Savior, and two families have since joined our church after that special service. We also held a special couples' service with eight couples attending. We preached on marriage and had a meaningful time with some of the couples from our church. As a result, three couples have decided to get things right with the Lord and plan to get married. Lord willing, we will be celebrating some weddings in the coming months!

One powerful testimony that we want to share is about Rubén who came to our church just one day after being released from prison. He had served eight years for killing his son-in-law. While in prison, he accepted the Lord as his Savior, began reading the Bible and prayed that God would lead him to a church that teaches the truth. After returning home, he found our church just three blocks away. After attending two services he told me, "This is the church I've been praying for." He is so grateful that we preach the Bible and has since brought his entire family to church. Please pray that Rubén will continue to grow spiritually.

In September, I had the privilege of helping at my father's church in Tucumán with their annual conference. We had the opportunity to serve over 80 pastors from all over the country and even from other countries. Each night more than 1,000 people attended. It was a time of great encouragement, and many young men and women surrendered their lives to full-time service.

Construction Update: We thank the Lord for donations from two churches! We have currently finished the foundation beams, and we will begin building the walls. It's exciting to see the construction progressing! If you would like to donate to the construction of our church building, you can send your offering to: Macedonia World Baptist Missions P.O. Box 519, Braselton, GA 30517. Designate it for "Building Fund." Any amount will help us continue this project!

Family Update: Matthew keeps growing—and quickly! We appreciate your prayers for him. He recently caught bronchitis and hasn't been feeling well. He's only 8 months old, but he's already wearing 12-month-sized clothes!

Thank you for praying and giving. May the Lord richly bless you!

Yours in Christ,
The Owens Family
