Dear Pastor and Friends

Greetings in the name of our Lord and Savior Jesus Christ . What a joy it is to know that HE cares for us. Many of our church families are going through a number of challenges and events in their lives. As I try to console them, each problem is overwhelming to each person. I give them the assurance that God knows every detail and that He is right on time with His answers. Taking the word of God our sole authority , we must act on the promises that are given. We have a society that wants answers now, with no time to think that God lets many things come on us and through us. I have told them, maybe He is making a point to let us know He is in control !

The past couple of months we have had great attendance. With the summer coming to an end we are wondering what fall has in store for us. We have a couple of very faithful men to go door knocking and the joy of sharing Christ. I know one of the brother's is scheduled for hip surgery in the next couple of weeks. I have another dear brother who I have seen spiritual growth that is amazing , it is like he came out of a little shell, and is growing in his relationship with other people and with the Lord.

The oldest man in our church just passed so we are all heart broken, Brother Marv was such an encouragement to everyone. The other guys would cut up with him and say what does the oldest person at church have to say or what is going to happen in the times in which we live, he would respond that's why we read the Bible and come to church and listen to the preacher. He was very respectful to me as his pastor. We just did a major remodel to the outside of the church. It was really getting very worn and torn from the elements of wind and weather.

Please continue to pray for our labors here as we try daily to reach these communities of the White Mountains area. Most people are religious and a lot of folks are searching and have no idea what they're looking for, but I know that God can satisfy that emptiness in their soul. Thank you for your faithful prayers and financial support , without you this would not be possible. We are grateful that as we labor together, that Christ would receive the glory and honor due to His name.
