Goals

- Church Planting
- Christian School
- Christian Care Ministry

We are deeply grateful for all that God has done this year. His faithfulness has been evident in every step, and we are truly blessed by how far He has brought us.

This year marked incredible growth for our Christian school. We successfully equipped our Computer Lab and Science Lab, saw our student population grow from 70 to over 100, and welcomed more than 15 dedicated teachers and staff to our team. In addition, the installation of solar lighting has helped us save on energy costs and improve security around the school.

We give all glory to God for these milestones and extend our heartfelt appreciation to everyone who has supported and prayed for us along the way.

We would also like to thank God for the wonderful graduation ceremony we had for our PP2 and Grade 3 learners. It was well attended and we were able to pray for them and encourage them as the move to the next level of their education.

As we near the end of the year we have a few events planned in celebration.

1. Kids' Fun Day

This December, we're hosting a Kids' Fun Day for all children in the community — free entry for everyone! There will be delicious food, uplifting gospel music from local artists, and plenty of fun games for the kids. This will be a wonderful opportunity for community outreach and to welcome new learners to our Christian school.

You can be part of this by sponsoring a meal for just \$3 per child. We are expecting approximately 250 kids to attend.

2. Christmas Basket

As a token of appreciation, we're preparing a Christmas gift for each of our staff members to enjoy with their families. We also hope to provide Christmas baskets for some of our needy children.

You can contribute by giving \$20 per staff member and also help supporting our 28 needy children.

All support to be sent through Macedonia.

Our Prayer Request

- Pray that the Lord give us strength so that we continue serving Him.
- Pray that the Lord may help us get new support.
- Pray that God may help us with our plans for the Kid's Fun Day and Christmas Basket.
- Pray for continued healing as i recover from the infection It had on my finger.
