Dear Pastor and Friends,

I thank my God upon every remembrance of you, Always in every prayer of mine for you all making request with joy, For your fellowship in the gospel from the first day until now; Philippians 1:3 - 5

In our last prayer letter, I shared with you that the print shop roof needed to be replaced. After the old metal roofing was removed, the extent of the damaged to the plywood sheeting was revealed. The roofer had to replace 97 sheets of plywood before nailing the shingles down. As you can see, we now have a beautiful new roof. We are thankful for all who prayed and contributed to enable us to get this done. Notice on the left picture the beautiful day that the Lord gave us to get the work done.

I also mentioned last time about our press being down due to a part that went bad. We were finally able to get the part in. The company originally told us that the part would be shipped by the 1st of July. However, it didn't arrive until middle of August. I was able to replace the defective part with the new one. It was good to have our large press running again. Thank you again to all who prayed with us to get this part replaced.

Several years ago, I placed a \$50 bid on a skid of assorted paper at a paper supplier and won. In other words, it was paper that nobody else wanted. We used all but four boxes of 25x38 pink paper. Since we use white paper to print our full color tracts, we've been looking for a way to use this paper. Jenna Gherardini, who does the prayer letter service, came up with a beautiful tract that women will enjoy using and receiving. If your church would like to get some of these, please give us a call.

Thank you again for your prayers and financial help. Our ministry is to publish the gospel to as many people and in as many languages as God enables us to.

In Christ's Service,

David & Florence Wade
